With the increasing popularity of "special event" jerseys, sublimation now provides your team with an opportunity to design jerseys inspired by any and all special occasions.

## FACEMASK SIZING INFO

The facemask should fit snugly to the chin. If it is too long, it may not remain in place during impact.

When the player's mouth is closed, the chin should fit comfortably into the chin-cup. Attach the facemask securely to a compatible, certified helmet according to the instructions provided.

BAUER recommends the use of a mouth guard, especially when using a half shield. Injuries to the face, nose, eyes, jaw and teeth may occur while wearing a half shield.

# NEXUS TEAM STICK

## THE TEAM PLAYER

DEVELOPED EXCLUSIVELY FOR ELITE LEVEL TEAMS, THIS BAUER NEXUS TEAM STICK IS DESIGNED WITH HIGH LEVEL PERFORMANCE IN MIND. BUILT ON THE NEXUS FOUNDATION OF POWER, THIS STICK MAXIMIZES EVERY SHOT WITH AN AMPLIFIED MID-KICK THAT INCREASES ENERGY TRANSFER WHILE SHOOTING. THIS EXCLUSIVE STICK IS PRICED SO THAT YOUR ENTIRE TEAM CAN PERFORM TO ITS HIGHEST LEVEL.

## KEY TECHNOLOGIES:

Full 12K Carbon Fiber

Ultra light weight premium carbon fiber with high end durability properties.

Sweet Spot Technology

BAUER has re-engineered the use of carbon fiber within the structure to allow for an easier and smoother energy transfer while shooting. This is maximized while taking mid-motion wrist shots and slap shots.

Power Sense 2 Blade Core

The POWER SENSE CORE 2 blade is constructed with the next evolution of SENSE technology. An updated process has integrated SENSE layer materials with TeXtreme fiber on the outer portion of the blade. By integrating SENSE layer materials, overall blade weight is reduced and balance is improved while managing key dampening performance attributes of SENSE technology.

Monocomp Construction

Our industry-leading single molding process ensures product and performance consistency. By removing excess material like overlapping layers, resin and foam waste, the balance of the stick is improved and overall weight is reduced.
